Lake Tahoe Contractors, BMP Installers and Do-It-Yourselfers—Save these Dates!

Best Management Practices (BMPs) Workshops, April 24 & 29, 2015
“How to Design and Install BMPs for Residences and Small Businesses”

BMP Workshop topics for 2015:

- How to use TRPA’s online resources.
- TRPA’s new electronic approval process for Small BMP Retrofit Design!
- Commercial and multi-family residential BMP permits and maintenance.
- Last chance to qualify your business for the BMP Installation Service Providers List. Attendance by at least one Supervisor per business required.
