

Tahoe Regional Planning Agency (TRPA) Workshop: Design BMPs to Pass Review and Inspection the First Time

Calling all engineers, designers,
design-builders, planners, architects
and consultants who design Best
Management Practices (BMPs)!

When: Tuesday, March 24, 2009

Time: 9:00 a.m. to 12:00 p.m.

Where: TRPA Board Rooms
128 Market Street
Stateline, NV 89449

BENEFITS:

- Learn the principles of quality BMP design to pass plan review and final inspection
- Create BMP designs through hands-on exercises for residential and commercial properties
- Avoid common BMP design mistakes that lead to poor installations
- Use the BMP Spreadsheet to design BMPs into landscaping with rain gardens, bio-swales and other infiltration BMPs (not just gravel trenches)
- Design BMPs to consider and incorporate long-term maintenance

Pre-Registration is Required Due to Limited Space. Please RSVP to the Erosion Control Team at bmp@trpa.org or call us at (775) 589-5202
