Site Description/Notes

BMP Label	Treatment BMP-### are treatments from NRCS Standard Drawings for the Lake Tahoe Basin	Dimensions

This BMP Site Design is for the installation of Best Management Practices only. It is not a verification of land coverage, land capability, unit of use, or other development capacities regulated by the Tahoe Regional Planning Agency (TRPA), nor is it a conceptual approval of any unrelated future project. These verifications require the submittal of a separate application to the TRPA for review and approval. The property owner is ultimately responsible for the selection, installation, performance, and maintenance of the BMPs on their property.

For Internal Use Only

☐ **Based on the information provided, this design meets the requirements of Chapter 60.4 of the TRPA Code of Ordinances.**
